7MALE2M

CPUSTUFF

7MALE2M – 7-Pin Male to Male SATA Adapter

This high-quality adapter features two male SATA connectors, allowing you to easily join two female SATA cables together or convert a female SATA port. Designed in a compact, small form factor, it provides a cost-effective cable extension and routing solution for RAID arrays, custom server racks, and micro-PC builds]. Constructed with an overmolded housing, copper shielding, and low-smoke zero-halogen (LSZH) materials to ensure long-term durability and safety.

Key Features & Specifications

- **Connector Type:** 7-Pin SATA Male to 7-Pin SATA Male
- **Function:** Cable joiner / Male-to-Male extension adapter
- **Shielding:** Copper shielded for EMI protection
- **Material Safety:** Low Smoke Zero Halogen (LSZH), overmolded housing.
- **Compliance:** RoHS\REACH Compliant

Technical Feature	Specifications
Model / SKU	7MALE2M
Connector Type	7-Pin SATA Male to 7-Pin SATA Male
Pin Configuration	Straight-Through (1-1, 2-2, 3-3, 4-4, 5-5, 6-6, 7-7)
Data Speed	SATA III (Up to 6Gbps)
Material	Low Smoke Zero Halogen (LSZH) / Copper Shielded

7MALE2MX

CPUSTUFF

7MALE2MX – 7 Pin Male - Male SATA Adapter Cross Wired

This specialty adapter converts a standard female SATA socket or cable into a male SATA plug while reversing the internal pinout layout. Designed to connect standard SATA cables into a crossover extension configuration, it easily plugs directly into 22-pin SATA sockets[cite: 1]. Built with an overmolded housing, copper shielding, and low-smoke zero-halogen (LSZH) materials to ensure high durability, safety, and reliable signal isolation.

Key Features & Specifications

- **Connector Type:** 7-Pin SATA Male to 7-Pin SATA Male Cross Wired
- **Function:** Reversing crossover adapter / 22-pin socket compatible
- **Shielding:** Copper shielded for EMI protection
- **Material Safety:** Low Smoke Zero Halogen, overmolded housing[cite: 1]
- **Compliance:** RoHS/REACH Compliant

Technical Feature	Specifications
Model / SKU	7MALE2M
Connector Type	7-Pin SATA Male to 7-Pin SATA Male
Pin Configuration	Crosswired (1-7, 2-6, 3-5, 4-4, 5-3, 6-2, 7-1)
Data Speed	SATA III (Up to 6Gbps)
Material	Low Smoke Zero Halogen (LSZH) / Copper Shielded

7MALE2 – 7 Pin Male - Male SATA Adapter 7MALE2

7MALE2 – 7-Pin Male to Male SATA Data Adapter / Gender Changer

This high-quality SATA data adapter connects standard female SATA cables together to form an extension or converts a female SATA cable end into a male connector. Functioning as a direct SATA gender changer, it provides a reliable, straight-through connection for internal drives, custom cable routing, and server builds]. Equivalent to the Dalco SATA Cable Coupler Male to Male Adapter

Key Features & Specifications

- **Part Number:** 7MALE2 (Alternative: 7MALE2M)
- **Connector Type:** 7-Pin SATA Male to 7-Pin SATA Male
- **Function:** Straight-through gender changer / SATA cable coupler
- **Compatibility:** Standard Serial ATA (SATA) data cables

Technical Feature	Specifications
Model / SKU	7MALE2M
Connector Type	7-Pin SATA Male to 7-Pin SATA Male
Pin Configuration	Crosswired (1-7, 2-6, 3-5, 4-4, 5-3, 6-2, 7-1)
Data Speed	SATA III (Up to 6Gbps)
Material	Low Smoke Zero Halogen (LSZH) / Copper Shielded
